

# Church Creative Mission and Ministry Grant Application Guidelines

## Purpose of Grants

Church Creative Mission and Ministry grants are made to congregations in covenant with the Christian Church (Disciples of Christ) in Arizona. Grants help support Arizona congregations in reaching out to others in creative mission and ministry. These resources are dedicated for new transformational processes, and ventures that engage the congregation in their surrounding communities to address poverty and/or systemic injustice. Church Creative Mission and Ministry grant awards typically do not exceed \$2,500 in a one-year period and are often seed funds for new projects. Congregations can submit for subsequent or greater support, to be considered and evaluated by the grant committee.
